## ABOUT THE SPEAKERS

**Steven J. Kirsch**, *Murnane Brandt*  
Attorney Steve Kirsch received his Juris Doctor (J.D.), from Hamline University School of Law in 1976 and now is an accomplished litigator skilled in mediation, arbitration, and civil litigation. He is licensed in Minnesota's state and federal courts, has had 2 appointments to the State's Judicial Selection Panel and is an accomplished writer. Recently he received the prestigious appointment by the Minnesota Supreme Court to the Special Master Panel for the I-35W Survivor Compensation Fund.

**Christy Bauman**, *Musculoskeletal Transplant Foundation*  
Ms. Bauman received her BA in Marketing and Mass Communications from Mankato State University, Mankato MN. Through the Musculoskeletal Transplant Foundation, Ms. Bauman serves as a consultant and resource for Allograft tissue. Her scope of expertise includes standards for transplant safety, continuing education programs for nurses and techs, assisting with special graft match requests, and helping bring tissue back to the communities in which it came from.

**Michael Mertz**, *LifeSource*  
Mr. Mertz received his B.S in Health and Human Performance from the University of Wisconsin, River Falls. He worked as a Tissue Recovery Coordinator for 3.5 years in Gainesville, Fl. before he began a career with LifeSource in early 2009. In his current role as tissue recovery coordinator, he participates in the screening and surgical recovery of tissue from deceased donors in the LifeSource service area. Mertz provides guidance, training and direction to the tissue recovery team.

**Mark Dahl, MD** *St. Croix Orthopaedics*  
Dr. Dahl received his medical degree from the Mayo Medical School, Mayo Clinic, Rochester MN. He completed his residency in orthopaedic surgery at the Veteran's Administration and the University of Minnesota Hospitals, Minneapolis, MN. He also has advanced training in limb lengthening and deformity reconstruction. Dr. Dahl is board certified by the American Board of Orthopaedic Surgery and is a general Orthopedist who specializes in limb lengthening and deformity reconstruction.

**Robert Anderson, MD** *Summit Orthopedics*  
Dr. Anderson received his medical degree from the University of Minnesota, Minneapolis, MN. He completed his residency in orthopaedics at Indiana University Medical School, Indianapolis, IN and a hand surgery fellowship at Indiana Hand Center, Indianapolis, IN. Dr. Anderson specializes in hand, upper extremity and shoulder procedures.

**Peter Daly, MD** *Summit Orthopedics*  
Dr. Daly received his medical degree from Mayo Medical School, Mayo Clinic, Rochester MN. He completed his residency through the Orthopaedic Surgery program at Mayo Graduate School of Medicine, Mayo Clinic Rochester and a Rowe Shoulder Fellowship through Harvard University, Boston, MA. Dr. Daly specializes in sports medicine of the shoulder and knee arthroscopic surgery; shoulder, knee, and hip total joint replacement; minimally invasive hip and knee replacement; and computer navigated total knee surgery.

**Timothy Panek, MD** *St. Croix Orthopaedics*  
Dr. Panek received his medical degree from the University of Minnesota Medical School and completed his orthopaedic surgery internship and residency at the University of Minnesota in Minneapolis, MN. Dr. Panek is board certified by the American Board of Orthopaedic Surgery and is a general orthopedist with a special interest in sports medicine.

## OBJECTIVE

This seminar will provide a general review and update on unique orthopaedic procedures presented through specific case presentations and the patient experience. It will encompass orthopaedic traumatic injuries, emergencies, and infrequently encountered procedures.

## WHO IS APPROPRIATE TO ATTEND?

Participants should currently be working in an orthopaedic care setting. The seminar is appropriate for patient care and surgical nurses as well as home care nurses, physical and occupational therapists, and other health care professionals.

## PLANNING COMMITTEE

Amber Stitz, RN, MS, ACNS-BC  
Kathleen Killeen, MOT  
Jennifer Monsour, RN, ONC  
Denise Hartigan, OT  
Cookie Haas, RN, MS, CNOR
